A SAVINGS PLAN FOR TEXANS WITH DISABILITIES

A NEW WAY TO SAVE:
Helping Individuals with Disabilities
Secure More Financial Stability

The Texas Achieving a Better Life Experience (Texas ABLE®) Program encourages and assists individuals and families to save and pay for disability-related expenses to maintain an eligible individual's health, independence and quality of life.

Under this Program, eligible individuals with disabilities can save up to \$15,000 per year¹ up to a lifetime maximum of \$500,000, and funds up to \$100,000 are generally disregarded for purposes of determining eligibility to receive government assistance or benefits.² Any earnings on the account grow free from federal taxes.

The Texas ABLE Program is made possible through the federal ABLE Act, which was signed into law in December 2014. The Texas Prepaid Higher Education Tuition Board, with assistance from the Texas Comptroller of Public Accounts, administers the Program.

Eligibility³

Eligible individuals are Texas residents who became disabled or blind before the age of 26, and:

- (a) are currently entitled to receive Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI), or
- (b) a licensed physician provides a written diagnosis that the person is either blind or has a medically determinable physical or mental impairment that results in marked and severe limitations either expected to result in death or has lasted or is expected to last at least 12 months, or
- (c) the person has a condition listed on the Social Security Administration's list of Compassionate Allowances Conditions.⁴

An eligible individual can have only one active ABLE account, except with respect to pending rollovers and program-to-program transfers.

¹ Annual contributions to an ABLE account cannot exceed the individual gift tax exclusion for that given year unless the Tax Cuts and Jobs Act of 2017 applies.

² Exceptions apply. See the Program Disclosure Statement for information and details.

³ Eligibility requirements are subject to change. The designated beneficiary or, if one has been named, their authorized legal representative, is responsible for notifying the Program if the designated beneficiary ceases to be an eligible individual.

⁴ The Social Security Administration's list of Compassionate Allowances Conditions can be found here: <https://www.ssa.gov/compassionateallowances/conditions.htm>
