

AUTISM SPECIFIC SERVICES

EDUCATIONAL PROGRAM

TEA-accredited nonpublic school offers year-round individualized education for students with autism (ages 3-21) using small student-to-teacher ratios and Applied Behavior Analysis.

ADULT SERVICES

Day program for adults (age 22+) with autism focuses on developing independent living and social skills through vocational training, volunteer activities and community outings.

RESIDENTIAL PROGRAM

Community-based group homes where staff members provide 24/7 supervision, teach daily living skills and promote independence for children (ages 3+) and adults with autism.

SCREENING & DIAGNOSTICS

Evaluations are available for individuals of all ages and are conducted by a licensed psychologist experienced in autism. Medical and educational diagnoses provided.

OUTPATIENT THERAPY

Outpatient clinic offers autism-specific treatment for children (age 18 months+)

OUR MISSION to assist people with autism and related disorders throughout their lives as they learn, play, work and live in the community.

Changing Lives. Building Futures.

OUTPATIENT THERAPY SERVICES

APPLIED BEHAVIOR ANALYSIS (ABA) THERAPY

Board-Certified Behavior Analysts use research-based principles to create individual behavior plans that focus on positive reinforcements to improve functional communication skills while decreasing problem behaviors for each client

SPEECH THERAPY

Licensed Speech-Language Pathologists use research-based strategies to help children develop and build communication skills.

OCCUPATIONAL THERAPY

Licensed Occupational Therapists use a variety of techniques to help children maximize their ability to participate in daily activities at home and in the community.

Outpatient Clinic Offers Autism-Specific Treatment for Children age 18 months+
