

TEXAS TECHNOLOGY ACCESS PROGRAM (TTAP) at the Texas Center for Disability Studies

WHO WE ARE

The Texas Technology Access Program (TTAP) promotes independence for people with disabilities and those who are aging through access to **assistive technology**.

- Control over your immediate environments
- Enhance your ability to function independently
- Increase potential access to education, vocation and employment
- Support opportunities for recreation/leisure activities and community engagement

We support and develop programs to improve access, advocacy, and awareness of AT to meet the needs of Texans with disabilities and those who are aging.

WHAT WE DO

DEMONSTRATIONS

See technology in action to determine what product is useful for you!
[Find your demonstration location here.](#)

DEVICE LOAN LIBRARY

Try assistive technology before investing!
